NEWS FOR
HAMFORD

ISSUE 7

DATE 7th December 2018

In all my years of working in schools I've not witnessed a Christmas Fair like we had last week. With mince pies, tombola's, raffles and gift stalls I was blown away by the festive spirit of all our children and families. Santa put in an appearance and his elves whilst cheeky, were full of Hamford fun. Please can I offer my very sincere thanks to Claire and her amazing Hamford Academy Friends team. School continues to be busy as we move into the Nativity period. All our Reception and KS1 children have been working hard and I look forward to watching our little stars enjoy their performances. Here's to a festive final two weeks of the term and wishing you all a lovely weekend. Mr Joy

Hamford Choir

It's the most wonderful time of the year.... And it's certainly a busy time of year for the Hamford Choir. Over the last week they've given show stopping performances at The Hamford Christmas Fair, Walton's Late Night Shopping, The Rotary Carol Service and a surprise visit to the residents of Luff House Nursing Home.

A big Hamford well done to you all.

Christmas Cards

Next week children will be able to post their Christmas cards to friends in the postbox outside the school hall. Can children please put the full name and/or class on the envelope as this makes it so much easier to deliver!

Missing Clothes

Recently we have had new coats, hats, scarfs, gloves, jumpers, cardigans and even wellies going missing with no sign of them in school. Could we ask parents to check the name in your childrens' clothing and return anything you find not belonging to your son/daughter to the office where we will then do our best to return them to their rightful owner.

Christmas Parties!

Christmas parties will be held on Wednesday 19th December for all children.

We have the brilliant Crazy Ryan coming in to ensure everyone has a great time.

EYFS/KS1 16:30-17:45

KS2 18:00-19:15

Tickets are £3 or £3.50 with a hot dog and will be on sale from the end of next week outside the reception area.
